TALISKER WHISKY ATLANTIC CHALLENGE

Dubbed by many “The World’s Toughest Rowing Race,” the Talisker Whisky Atlantic Challenge provides a unique platform for a once in a lifetime event. More people have traveled to space or have climbed Mount Everest than have rowed 3,000 miles across the Atlantic Ocean.

December 2021 marks the start of Team Row4Hope’s journey from the Canary Islands to Antigua, in a quest to be competitive and for the opportunity to support the Make-a-Wish kids we have had the pleasure of meeting during our preparation.

Attracting sponsors will allow us to cover the costs of necessary equipment and entry fees to compete in the challenge, all of which amounts to around 200,000 USD. Without your support, we will not be able to make this dream a reality.

We hope to spark your excitement about the prospect of partnering with our Team throughout our epic Journey.

THE TEAM

Mat Steinlin and Ben Odom met as coworkers at Lifesprk in 2020. Both fans of the principles of “Extreme Ownership” and “Discipline Equals Freedom” as promoted by Jocko Willink, they quickly formed a partnership on the job as well as a friendship around shared goals and philosophies.

Mat shared his goal of competing in the Talisker Whisky Atlantic Challenge with Ben, and after enlisting the support of friends, family and employer, they formed Team Row4Hope. Now they train and prepare daily to execute the mission of the team: to row the Atlantic Ocean to grant wishes for children with critical illnesses.
